

ICFCM 2026

2026 the 9th International Conference on Frontiers of Composite Materials

Fukuoka, Japan

June 12-14, 2026

www.icfcm.org

2026 the 9th International Conference on Frontiers of Composite Materials (ICFCM2026) will be held in Fukuoka, Japan during June 12-14, 2026. Since 2016, ICFCM has been an annual event which was held in many places, Auckland, Monash University, University of Technology Sydney, University of Queensland and Tokyo University of Science. In 2026, ICFCM will be held in Fukuoka, which is Kyushu's largest and one of Japan's ten most populated cities. Because of its closeness to the Asian mainland (closer to Seoul than to Tokyo), Fukuoka has been an important harbor city for many centuries.

PROCEEDINGS

All submissions will be peer reviewed by 2-3 reviewers. The registered and presented papers will be published into Materials Science Forum (ISSN print 0255-5476 / ISSN web 1662-9752), Indexed by Elsevier: SCOPUS. ICFCM2024 - ISBN: 978-3-0364-0459-2 - Scientific Books Collection Vol. 161 | SCOPUS

SUBMISSION METHODS

Please send your abstract/full paper to Submission System (<http://confsys.iconf.org/submission/icfcm2026>), Any questions, please feel free to contact via icfcm@saie.org.

1. Full Paper (Presentation and Publication)

Accepted full paper will be invited to give the oral presentation at the conference and be published in the conference proceeding.

2. Abstract (Presentation only)

Accepted abstract will be invited to give the presentation at the conference, the presentation will not be published.

CONFERENCE COMMITTEES

Conference Committee chairs

Kazuo Umemura, Tokyo University of Science, Japan

Ramesh K. Agarwal, Washington University in St. Louis, USA

Program Committee chairs

Zhengyi Jiang, University of Wollongong, Australia

Hom Nath Dhakal, University of Portsmouth, UK

Hideaki Tsukamoto, Hosei University, Japan

CALL FOR PAPERS

Topics of interest for submission include, but are not limited to:

1. Additive manufacturing
2. Applications
3. Bio-based composites
4. Biomimetic composites
5. Ceramic matrix composites
6. Concrete and cementitious composites
7. Damage and fracture
8. Durability and ageing
9. Experimental techniques
10. Fibers and matrices
11. FRP reinforced concrete
12. Health monitoring
13. Hybrid composites
14. Infrastructure
15. Interfaces and interphases
16. Interlaminar reinforcements
17. Joint and bearing behaviour
18. Life cycle analysis and sustainability
19. Low cost technologies
20. Mechanical and physical properties

IMPORTANT DATES

Submission Deadline	January 25th, 2026
Notification of Result	February 15th, 2026
Registration Deadline	March 5th, 2026
Conference Dates	June 12-14, 2026

ABOUT FUKUOKA

Fukuoka offers a variety of attractions, from historical sites and cultural experiences to natural landscapes and modern entertainment. Key highlights include Fukuoka Castle ruins, Ohori Park, Dazaifu Tenmangu Shrine, and the Kyushu National Museum. Visitors can also enjoy local specialties like Hakata ramen and explore the vibrant Nakasu district.
